***The Outfitters Center** located between the Okatie River and fishing lagoons, offers a picnic and oyster roast area, as well as a screened in Pavilion with a large wood burning fireplace. Many different events can be held here, from an intimate gathering to a large event for over 100 people. This location is perfect for more casual events such as oyster roasts and Low Country Boils or casual buffets where people can mingle and wander the docks or fishing piers. In the evening the Pavilion can be turned into a semi-formal setting by adding lights to the trees.*

***The Golf Club** Beyond the greens and life at Oldfield, members can relax and unwind in the comfortable and welcoming atmosphere of our 20,000 sq foot Clubhouse.*

Featuring casual dining from the Bar & Grill Room, spacious ladies and men's locker rooms and a full-service golf shop, Oldfield Club is the perfect place for

Members to relax and enjoy the South Carolina lifestyle.

***Arrowhead & Lakeside Pavilions** looks over a huge pond and has a well manicured lawn area with 2 private restrooms. It is perfect for Rehearsal dinners, family reunions, and birthday parties. It is ideal location for a more casual event like Oyster Roast's and Low Country Boils. We can accommodate large parties of 200 or a smaller private gathering inside the screened in area.*

***The River Club** offers many different settings and can host parties of various sizes. From our beautiful interior Atrium to the porches and the expansive back lawn overlooking the Okatie River, any occasion can be made special.*

The Atrium area provides the perfect location for a cocktail reception or small wedding especially in the evening when the lights are dimmed and the house becomes simply magical. For larger groups, the back lawn, brick veranda, patios and porches provide ample space for groups up to 300. Our River Club is the most unforgettable setting for your wedding day; it offers a rich southern elegant style. The private rooms are each decorated with vintage low country décor and the ambience defines romance.
